Top 10 Things to Do in Steamboat Springs (in addition to the Wine Festival)!

1. Fish Creek Falls

Take in the view of a 280 ft. scenic waterfall just a short drive from downtown Steamboat Springs. Head north on 3rd Street. At first stop sign, make a right on Fish Creek Falls Road. Continue 3.5 miles to parking area. The Falls are a quarter mile hike down the dirt trail, or access another viewing point on the flat, paved overlook.

2. Hot Springs Pools

Soak in the natural hot mineral springs at Old Town Hot Springs and Strawberry Park Hot Springs, historically known by the Ute Indians as the "Medicine Springs". Enjoy a fun and relaxing soak for the whole family; please note children under 18 are not allowed after dark at Strawberry Park Hot Springs.

3. Gondola Ride

Take the gondola to the top of Mount Werner where 360 degree mountain and valley views await. Hike or mountain bike on the newly updated terrain with options for all levels. Have a delicious lunch or snack at Hazie's or Oasis Sundeck. Open during the summer months (third week in June through the third week in September).

4. Hiking and Biking Trails

With hundreds of miles of single track out the back door, grab your hiking boots or bike to experience the wonder and adventure of these Colorado trails. Make sure to explore all levels of hiking and riding while in "Bike Town USA!"

5. Raft or Tube the Yampa River

White water raft during the spring and early summer months for a fun family adventure. Once the river slows (late June or early July) the tubing companies can take you for a leisurely inner-tube ride down the river.

6. Horseback Riding

There is no better place than Northwest Colorado to experience horseback riding through the beautiful aspen forests with incredible mountain vistas. All levels can enjoy the scenery and catch a view of an elk herd or wild animal in their natural habitat.

7. Fly Fishing the Yampa River and State Parks

Steamboat Springs is home to world class fishing. With seven miles of public fishing stretching through downtown, the river offers convenient access for phenomenal trout fishing. Stop by a local fishing shop and check out the private water and guide options as well. Take a scenic drive to three Colorado State Parks for more lake and river fishing.

8. Pro Rodeo Series

Add it to your "must do" weekend list in Steamboat Springs. The award-winning Pro Rodeo takes place every Friday and Saturday night at 7:30pm from the third weekend in June through the third weekend in August.

9. Botanic Park

Open all summer and into the fall, this high altitude garden celebrates the trees, shrubs, plants and birds of the Yampa River Basin. FREE admission. Located between downtown and the mountain - on US 40 turn west onto Trafalger Drive and follow the signs.

10. Strings Music Festival

The Strings Music Festival brings to life four elements of nature – fire, water, and earth – through four elements of music – melody, rhythm, harmony and texture. Concerts take place June through August. Visit www.stringsmusicfestival.com for a complete schedule.
