PRE-EXISTING MEDICAL CONDITION EXCLUSION WAIVER

This Pre-Existing Medical Condition Exclusion Waiver describes the circumstances in which a pre-existing medical condition MAY be covered under this policy and NOT excluded from coverage.

Because your policy includes this waiver, you can still be covered for losses due to a pre-existing medical condition if you meet all of the following requirements:

- Your policy was purchased on or before the final trip payment due date as listed on your travel supplier's invoice;
- You were a U.S. resident when the policy was purchased;
- You were medically able to travel when the policy was purchased; and
- On the policy purchase date, you insured the full non-refundable cost of your trip with us. This includes trip arrangements that will become non-refundable or subject to cancellation penalties between the policy purchase date and the departure date.

If you incur additional non-refundable trip expenses after you purchase this policy, you must insure them with us within 14 days of their purchase.

If you do not, those expenses will still be subject to the pre-existing medical condition exclusion.

IMPORTANT: The amount payable for claims for Trip Cancellation Coverage or Trip Interruption Coverage due to a pre-existing medical condition cannot exceed the Pre-Existing Medical Condition Limit listed on your Declarations. Amounts payable for claims under other coverages are subject to limits listed on your Declarations.
